DULUXE *Saturn*

A POLISHED AND STOUT SOLUTION THAT
IS SUITABLE FOR HIGH TRAFFIC AND
HARSH ENVIRONMENTS.

DULUXE Saturn

Duluxe Saturn is achieved by combining the two elements of solid compact laminates and long-lasting stainless steel, the result is a system that not only looks contemporary but also has the ability to withstand harsh conditions. This clean and simple cubicle is the solution to your restroom problems.

DIMENSIONS

Cubicles' 2000mm overall height design includes a 150mm floor clearance. Its width and depth are tailored to meet your preferences and to adapt to individual site conditions.

MATERIALS

Standard design comprises of solid compact laminate panel (phenolic core), natural anodized channel, and stainless steel accessories. Other options are available.

PANELS

Panels are made of 12mm thick high density, water proof, solid, compact laminates (phenolic core). They come with high pressure textured matte finish melamine on both sides for shock and mar resistance.

STAINLESS STEEL ACCESSORIES

TYPICAL CONFIGURATIONS
