DULUXE *D'Concept*

A DESIGNER CONCEPT SYSTEM WITH A UNIQUE,
AVANT-GARDE INNOVATION THAT WILL
BRIGHTEN UP ANY RESTROOM.

DULUXE D'Concept

Duluxe D'Concepts is a creative solution for any restroom worries, it is customize and tailor-made to suit your needs. Along with its various combinations, it can withstand high traffic and usages. Its accessories can be made up of an integration of nylon, aluminum as well as stainless steel to ensure its rigidity and resistance.

DIMENSIONS

Suggested cubicles' 2000mm overall height, measured from the finished floor level to the top of the head rail includes a 150mm floor clearance. Its width and depth are tailored to meet your preferences and to adapt to individual site conditions.

MATERIALS

Standard design combines the use of solid compact laminate panel (phenolic core), with melamine finish on both sides. The frame consists of heavy duty aluminum that is specially extruded, complete with a natural anodized finishing. Powder coat finishing is customizable and chargeable upon request.

PANELS

Dividing panels, doors and pilasters are made of 12mm or 18mm thick high density, water proof, solid, compact laminates (phenolic core). Ready made with high pressure textured matte finish melamine on both sides for shock and mar resistance.
